

Board of Education News

On June 30, 2013 the current terms of office for Arcadia Governing Board members Janet Chew and Joann Steinmeier will expire. After 24 years on the Board, Mrs. Steinmeier decided not to seek re-election and at the close of the filing period in January, Janet Chew and Fenton Eng were the two individuals to submit candidacy forms. With two candidates and two open seats, an election was not necessary and at the February 12 Board meeting, Mrs. Chew and Mr. Eng were officially appointed with their terms to begin in July.

Board member Kay Kinsler was recognized for having completed CSBA's Masters in Governance program. The program expands a member's knowledge and skills necessary to support an effective governance structure and all current AUSD Board members have completed the training.
