Dear Parent or Community Member,

Arcadia Unified School District is happy to announce that it will be providing English Language instruction to parents and community members. **These classes are FREE.** Those who attend must pledge to provide personal English language tutoring to children and school age youth from limited English proficiency backgrounds. Parents or community members may tutor their own children in the evenings in their own homes.

The English language instruction will be offered at four different locations during the winter and spring 2010. Classes will be offered two days per week for 90 minutes per session.
